Sir:

Your petitioner, Isco, Inc., a corporation of the State of Nebraska, having a place of business at 4700 Superior Street, Lincoln, Nebraska 68504, represents that it is the assignee of the entire right, title and interest of United States patent application serial number 09/882,566 filed June 15, 2001, by assignments recorded in the United States Patent Office on Reel 012369, Frames 0164 and 0179, and of United States Patent 6,152,189, by an assignment recorded in the United States Patent Office on Reel 6519, Frame 0921.

Your Petitioner, Isco, Inc. hereby disclaims the terminal part of any patent granted on United States patent application 09/882,566 or continuation of United States patent application 09/882,566, which would extend beyond the expiration date of United States

Patent 6,152,189 and hereby agrees that any patent so granted on United States patent application 09/882,566 or continuation of United States patent application 09/882,566 shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent 6,152,189, this agreement to run with any patent granted on the above-identified application and to be binding upon a grantee, its successors or assigns.

Isco, Inc.
